

★ And The Winner Is...

by Carol Reznar

Through the generosity of The Royal Canadian Mint and Legendary Coins, Mike Makri, Pres., a total of \$3,090.00 was presented to Marler Stone, Director of Development at the Elvis Presley Memorial Trauma Center on August 16, 1991.

TCB of Chicago is more than proud of all of their members who supported this effort! A check totaling \$2,000.00 was presented on behalf of our club members and in loving memory of Elvis Presley. Thanks TCB of Chicago, you're great!

The lucky winner, (not a TCB of Chicago member) was Donna Eckley...Congratulations!

Dear Ms. Reznar and Ms. Kalweit:

Please accept my heartfelt thanks for your club's work in the recent Royal Canadian Mint/Legendary Coins project as well as for your generous donation of \$2,000. This is indeed a wonderful way to honor the memory of a fine man, and I'm sure that Elvis would be very proud of the work you are doing. Because of you and others like you, many, many people benefit.

Please be assured that we appreciate you very much, and invite you to visit and tour the Center and see first hand the high quality services we are able to offer.

Again, thank you.
